Headline:
Sunny spells and the odd shower.

Today:
It will be mainly dry and bright with sunny spells and just a scattering of showers. The north to northwest winds will freshen, becoming strong at times around the coast. Maximum temperature 14 deg C (57 deg F).

Tonight:
Mainly dry with any isolated light showers soon dying out. The cloud well broken, clear skies at times. Winds easing and turning chilly by dawn with a few mist patches. Minimum temperature 2 deg C (36 deg F).

Wednesday:
A dry and bright start with some sunny spells. Cloud will thicken from the west with outbreaks of rain developing in the afternoon. Winds also freshening. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:
Cloudy with outbreaks of rain, occasionally heavy and persistent at first, but turning light and patchy by Saturday. Breezy and very mild.
